Our address:

Dacos Software GmbH
Science Park 2
66123 Saarbrücken
Tel: +49 (0) 681-39 46 71 0
Fax: +49 (0) 681-39 46 71 19
www.info@dacos.com

Our offices are located on the 10th and on the 11th floor of the high-rise building within the Science Park 2. You will find the building directly next to the access road to the campus of the University of the Saarland.

Driving the A6 you take the exit “St. Ingbert-West/University”. Please follow the signposting “University” and turn off to your right to the L126. At the traffic light, please drive straight ahead passing the viaduct. After some kilometers please turn off to your left to the L252 following once again the signposting “University”. After having covered approximately 3 to 4 kilometers, please take the exit to the right “University North/Science Park”. Please follow the road which will lead you directly to our building.

Ahead of the building you have to drive up to the right barrier gate. Do not follow the right of way turning to the left, which leads to another barrier gate. Please press the bell and announce yourself as a visitor to the company Dacos. After having passed the barrier gate, the parking site reserved for Dacos visitors is located to the left, the parking site reserved for all visitors is located to the right.

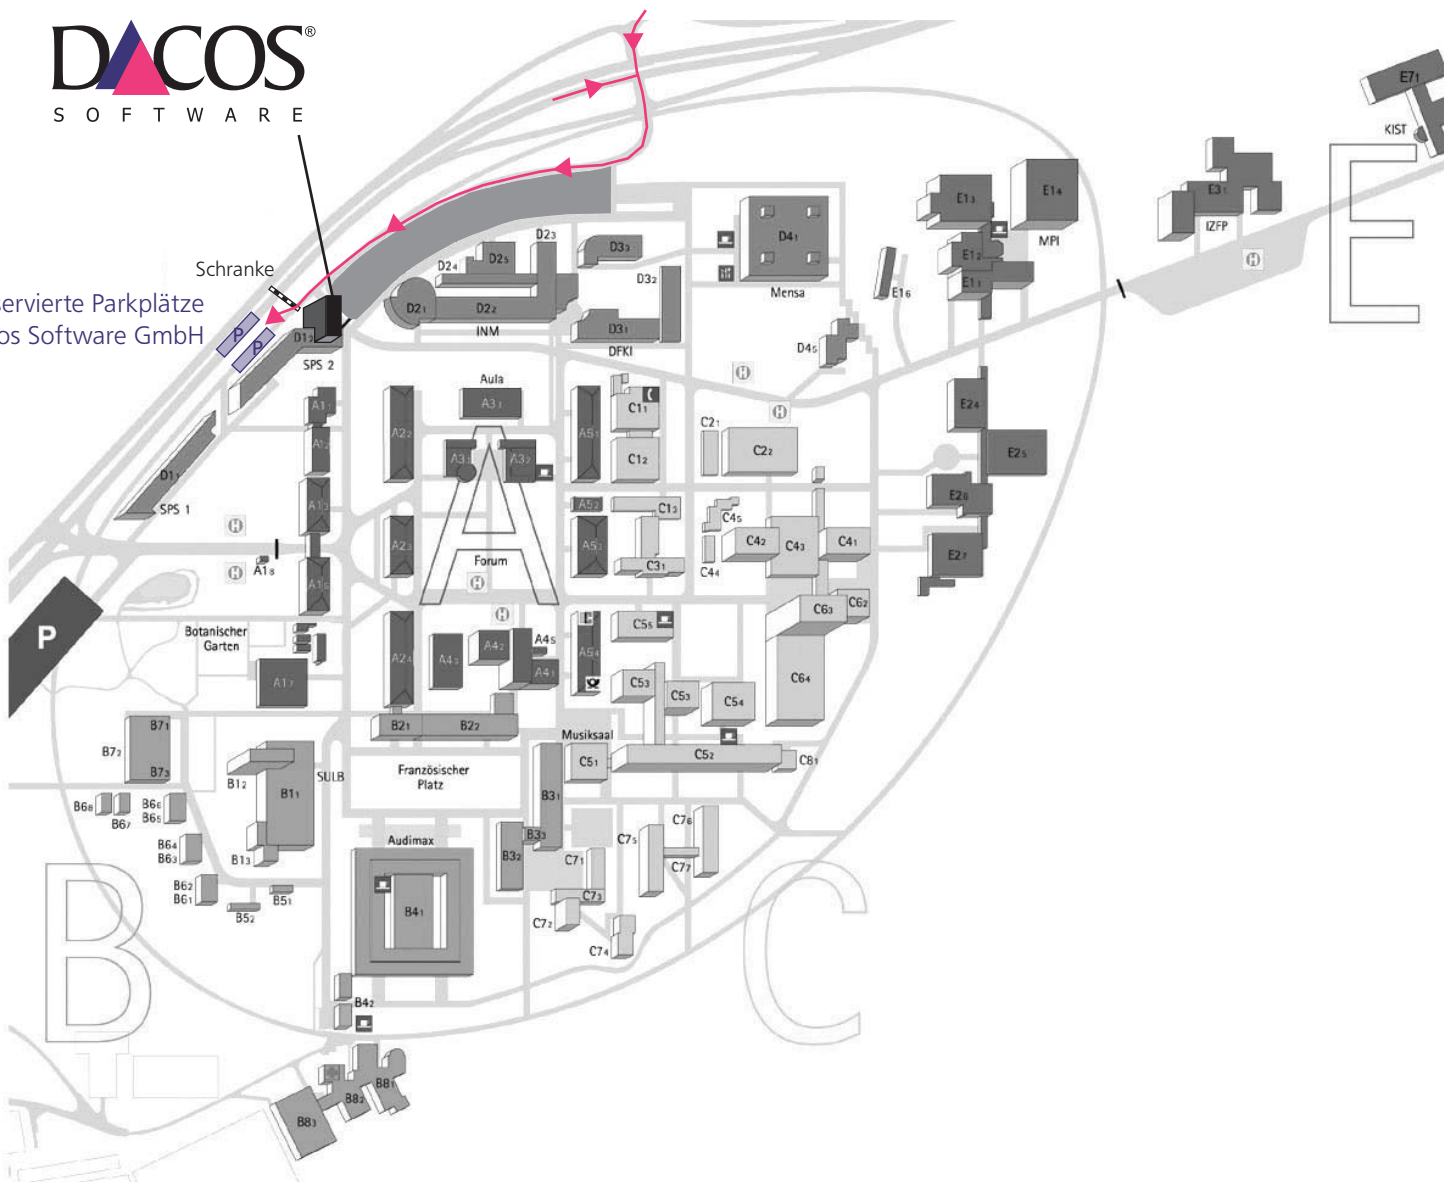

Afterwards please be kind enough to announce yourself at the reception desk located in the ground floor of the building.

We are looking forward to your visit!
